## Creation Health Education Series

Creation health is a faith-based wellness plan that considers all aspects of a person’s health and well-being. This four-week program (already underway) put on by Adventist Health/Live Well, will give participants the tools they need to live a healthier and happier life by examining how choice, environment, trust and outlook impact one’s wellness. Free and open to all, the classes are held Monday evenings from 5:30-6:30 p.m. at 404 E. Perkins Street, Ukiah. Please RSVP at 707-467-5292.

- June 19: Choice: Make wise decisions for healthy living
- June 26: Environment: Create a nurturing, rejuvenating surrounding
- July 10: Trust: Express your faith in God
- July 17: Outlook: Practice a positive, happy attitude

## Community of Hope

Join us for our first Friday Community of Hope on July 7, 2017, at 5:30 p.m. in the Glenn Miller Conference Center at Ukiah Valley Medical Center. This non-denominational Christian fellowship is a time of fellowship over a light dinner followed by praise, worship, and personal testimony. Local community Christian churches as well as UVMC staff members will continue to rotate responsibilities of hosting this event the first Friday of each month. Please let Chaplain Greg Harper know if you would personally like to be involved in the program; otherwise, we would love to have you and your family attend this special time together. All are invited!

# AMEN in Ukiah This Fall

As the Ukiah AMEN Health Clinic dates of October 17-20 draw closer, the need for volunteers continues. Not only is there need for medical and dental personnel, but each one of you can be a part of making this mission a success and a blessing to our community! Many needs exist for non-medical personnel, including physically setting up and taking down after the clinic (October 17 set-up and take down Friday afternoon, the 20th). Additionally, translators are a definite need if you are bilingual.

Of importance to note, volunteers in all areas **MUST** be registered to be involved and allowed to help for insurance purposes as well as enabling us to order our size-appropriate AMEN shirts and to know how many meals to plan for. If you have not registered yet, please do so right away. Go to the church website at [ukiahsda.com](http://ukiahsda.com) and select AMEN and follow the directions or call 707-695-0432.

In preparation for the AMEN clinic, there will be health presentations for our church family and community friends starting Sabbath, August 5, at 2:00 p.m. following the potluck at UJA. The first one will be "Media on the Brain," a must see for all parents. Please plan to attend.
