- 1.)** Would those doing outreach and using the books from the hall cupboard please stop at the outreach desk and let them know where the books are being used?
- 2.)** Depression Recovery Classes. There is a core team available and willing to do a series but we need helpers. For helpers this would involve purchasing and reading the materials, attending each of the eight sessions, listening to the videos and participating in discussions. There is no teaching or organizing involved. This is friendship evangelism which involves people interacting with people. Depression Recovery class changes lives and it is rewarding to be a participant.
- 3.)** July is our annual church mission project support month. Save those change jars and plan for a special offering for FARM STEW, a ministry devoted to fulfilling the Isaiah 58 commission to serve the poor and vulnerable. Watch for exciting expansion reports of the program all around the world. Thank You, Dawna Sawatzky.

“Now may the God of patience and comfort grant you to be like-minded toward one another, according to Christ Jesus, that you may with one mind and one mouth glorify the God and Father of our Lord Jesus Christ.” Romans 15:5,6
